PO Box 224, Lonsdale, SA, 5160

GO KARTS EXTENDED TERMS AND CONDITIONS

All units are shipped in a cardboard crate. You are required to attach the steering wheel, shock and brake pads, cables accelerator and brakes, plus other items depending on the model. These units don't get a full pre-delivery inspection so even if you have purchased an assembled item please check that all nuts & bolts are tightened and wiring is fastened before use. Please also check the tyre pressure, chain tension, wheel alignment, brakes, wiring, throttle assembly and fluid levels. We will not be liable if these checks have not been made before first use. Please read through your manual thoroughly.

If you are not familiar with these assembly or maintenance procedures, we recommend that you get a mechanic to help you.

These go karts use **Unleaded** petrol. To run-in the engine, please do not over-rev or load the engine for the first 3 tanks of petrol. Brake pads, clutches and engines need time to wear in to operate at their full capacity. Extra care must be taken during this initial run in period.

The person operating the vehicle must be trained and fully aware of the limitation and safety of handling the vehicle. Buyer is responsible for all the necessary safety precautions while operating this bike. We are NOT responsible for any loss, theft, damage or injury caused.

* Refund/ Exchange Policy - In most cases sales are final. We may issue a refund or exchange if the item received is substantially not as described in terms of type or completely dead on arrival and cannot be fixed through our help. Change of mind, minor variations in model, colour, specifications are not reason for a refund/exchange. To qualify for a refund/exchange item must be in a brand new unused condition.

Photos and Information displayed on this website are for indication only - Minor variations in model specifications, design, graphics and features may occur from what is shown.

We will replace or repair any part that proves to be defective, upon a warranty claim.

WARRANTY

Unless stated otherwise, units will have a 30 days PARTS ONLY warranty from the Importer. Shipping and labour are at the purchaser's expense, warranty applicable for 30 days from date of delivery.

In the event of claiming parts under warranty, please send your details along with pictures, engine no. and description of the fault to sales@stewarttrading.com.au. We will then have someone examine your claim and get back to you.

Condition of this warranty states that the go kart must be properly assembled and checked thoroughly before driving even if you purchased an assembled unit.

This warranty does not replace parts which are consumable or expendable such as chains, tyres, brake pads, callipers, clutches unless they were faulty initially.

Warranty does not cover wear and tear or damage due to mishandling, misuse, accidents, neglect or intentional damage caused by the user or by any other event.

Stewart Trading Pty Ltd will not be held liable for and warranty is voided if the unit is not run in properly and faults occur due to this

No warranty is provided if unit is to be used for race, competition or promotion purposes
